a) 128
b) 160
c) 224
d) 256

Answer: c

Question: 9

What is the time taken by the platter of a hard disk drive to position data under the read/write head?

a) Data transfer rate
b) Rotational latency
c) Disk service time
d) Seek time

Answer: d

Question: 10

Which type of storage system is built specifically for storing fixed content?

a) Content addressed storage
b) Block-based storage
c) File-based storage
d) Unified storage

Answer: a

What Study Guide Works Best in Acing the Dell EMC DEA-1TT4 Information Storage and Management Certification?

The DEA-1TT4 study guide is a combination of some proven study tips and the combination of all valuable study materials like sample questions, syllabus and practice tests in one place.

Explore the Syllabus Topics and Learn from the Core:

If you are determined to earn success in the Information Storage and Management exam, getting in full touch of the **syllabus** is mandatory. During preparation, you might not like all syllabus sections or topics, but try to get at least the fundamental knowledge from the sections you don't like. The more you possess knowledge on all syllabus sections, the more is the chance to attempt maximum number of questions during the actual exam.

Make Your Schedule:

Studying and completing the syllabus becomes easier, if you work on the syllabus topics after making a schedule. Your study schedule must mention what areas you want to cover and within what time. Once you make a schedule and follow it regularly, syllabus completion becomes easier and preparation becomes smoother.

Get Expert Advice from the Training:

If there is related Dell EMC training, don't miss out the chance to join. Training enhances the practical knowledge of a candidate, which helps them to work well in the practical field during projects.

Get Access to the PDF Sample Questions:

If your study material is in a **PDF format** or the materials are mobile-friendly, what could be better than that? Get access to the free sample questions and keep enhancing your knowledge beyond the syllabus.

Avoid Dumps and utilize the Dell EMC DEA-1TT4 Practice Test:

Why should you rely on practice tests? The reason is simple: you must get familiar with the exam pattern before reaching the exam hall. An aspirant aware of the exam structure and time management during the exam preparation can perform well in the actual exam and attempt the maximum number of questions during the exam.

Many aspirants prefer to read from dumps, but they miss out on the self assessment method. Therefore, DEA-1TT4 practice tests always stand out to be the better choice than dumps PDF.

Avail the Proven DEA-1TT4 Practice Test for Success!!!

Do you want to pass the DEA-1TT4 exam on your first attempt? Stop worrying; EduSum.com is here to provide you the best experience during your Dell EMC Information Storage Management preparation. Try out our free mock tests to get a glimpse of our quality study materials, and build your confidence with the premium **DEA-1TT4 practice tests**. Our expert-designed questions help you to improve performance and pass the exam on your first attempt.
